

Hotbotz Pit Safety Rules

1. Safety glasses are to be worn at ALL TIMES.
2. Use proper technique for tools.
3. Properly store & use batteries along with chargers.
4. Always keep the pit CLEAN and keep everything stored neatly. (No extra bags/coats.)
5. Do NOT overcrowd the pit!
6. Use a proper lifting technique (along with wearing PPE) when handling the robot. (Lift with the legs, not the back!)
7. NO horseplay in the pit.
8. All girls MUST keep their hair tied up and out of their face when in the pit area.
9. NO FOOD and NO DRINK in the pit.
10. NO sitting on the tables.
